## SMM 2024

03.09.2024 - 06.09.2024

# driving the maritime transition

smm-hamburg.com  
the leading international  
maritime trade fair

Welcome to the online application.

You can complete your online application on the following pages.

Co-exhibitors can be added in the last step of the booking.

On completion, you will receive an automatic acknowledgement of your application. Please note that this acknowledgement is not yet a final booking confirmation.

Subject to the availability of space in your preferred location, we will try to accommodate your wishes and will send you a placement proposal latest by the end of March 2024.

If you agree with our proposal, we will send you a written admission. With this written admission the contract becomes formally binding. Along with the admission you will receive your personal log-in data for our online service center. There you can submit valid bookings for all stand services needed (e.g. water and electricity supply, stand construction, etc.).

You will receive the invoice for the participation fee before the event. Service bookings (water, electrical connection, stand construction, etc.) will be billed to you after the event.

If you already have login details, please go to your **customer account**.

## Co-exhibitors

Co-exhibitors are companies other than the main exhibitor with representation by their own staff in a rented stand area. They are also considered to be co-exhibitors if they are associated with the main exhibitor in financial or organisational terms. A registration fee and a fee for the marketing package will be invoiced per co-exhibitor. See the Specific Terms of Participation for Price information. The main exhibitor agrees that the co-exhibitor is allowed to place Service orders via the Online Service Center at his own expense.
