WindEnergy Hamburg 2024

24.09.2024 - 27.09.2024

WindEnergy
Hamburg
The global on & offshore event

Welcome to the online application.

You can complete your online application on the following pages.

Co-exhibitors can be added in the last step of the booking.

On completion, you will receive an automatic acknowledgement of your application. Please note that this acknowledgement is not yet a final booking confirmation.

The planning stage of the fair stands will start in July 2023. You will receive our proposal, as soon as we have selected a space for you.

If you agree with our proposal, we will send you a written admission. With this written admission the contract gets formally binding. Along with the admission you will receive your personal log-in data for our online service center. There you can submit valid bookings for all stand services needed (e.g. water and electricity supply, stand construction, etc.).

If you already have login details, please go to your **customer account**

Co-exhibitors

Co-exhibitors are companies other than the main exhibitor with representation by their own staff in a rented stand area. They are also considered to be co-exhibitors if they are associated with the main exhibitor in financial or organisational terms. A registration fee and a fee for the marketing package will be invoiced per co-exhibitor. See the Specific Terms of Participation for Price information. The main exhibitor agrees that the co-exhibitor is allowed to place Service orders via the Online Service Center at his own expense.
